Re: *Poventud v. City of New York, et al.*, 07 CV 3998 (GEL)

Your Honor:

I am an attorney in the office of Michael A. Cardozo, Corporation Counsel of the City of New York, attorney for defendants City of New York and District Attorney Robert T. Johnson, and Frankie Rosado.¹ I write to respectfully request an enlargement of time from August 6, 2007 until September 7, 2007 to answer or otherwise respond to plaintiff's complaint. Plaintiff's counsel previously consented to an extension until August 27, 2007, although defendants have learned that that application was filed timely by ECF but not directly with the Court as required. A telephone message left for plaintiff's counsel this afternoon has not yet been returned. Defendant has requested one previous extension of time to respond to the complaint.

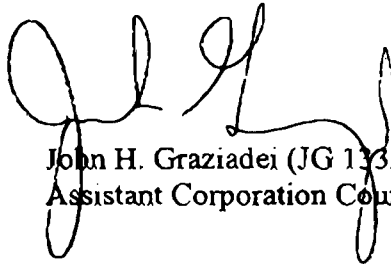

This application is necessary because this office has not yet received the District Attorney's office's litigation files, the criminal court files, or the Police Department's investigative files. Defendants promptly submitted requests for these sealed records on July 18, 2007 pursuant to the § 160.50 unsealing release requested from plaintiff on June 27, 2007 and July 17, 2007, and received on July 17, 2007. These sealed records are essential for this office to respond to the complaint in accordance with Rule 11 of the Federal Rules of Civil Procedure and this office has been working diligently to obtain them as expeditiously as possible.

¹ Upon information and belief, the other individually-named police officer defendants have not been served with process in this case. Without appearing or making any representations on their behalf, it is respectfully requested that, when and if they are served, the same extension be granted to them in order to ensure that their defenses are not jeopardized while representation decisions are being made.

Moreover, upon information and belief, plaintiff has not yet served the individually-named defendants and an enlargement of time will provide plaintiff with additional time to do so. Once these defendants are served, pursuant to Section 50-k of the New York General Municipal Law, the Corporation Counsel's office must determine, based upon a review of the facts of the case, whether it may represent them. The defendants must then decide whether they wish to be represented by the Corporation Counsel. *See Dunton v. County of Suffolk*, 729 F.2d 903 (2d Cir. 1984). If so, this office must obtain their written authorization. Only then may the defendants be interviewed in order to make decisions as to how to proceed in this case.

Accordingly, defendant respectfully requests that this Court grant defendant's application for an order enlarging defendant's time to respond to the complaint from August 6, 2007 until September 7, 2007. Thank you for your consideration of this request.]*

Respectfully submitted,

John H. Graziadei (JG 1333)
Assistant Corporation Counsel
